INSTRUCTIONS:

1. Decide the **focus or category** of your scavenger hunt. Think about what **kinds of things** you want people to find, such as plants, animals, shapes, colors, or even what you see out your window.
2. Choose a **title** for your scavenger hunt. Write it in the middle box on both pages.
3. **Draw** and **label** 8 items to find on your scavenger hunt on the first page.
4. Use the **letters** in the corner of each box to match where to **write** descriptions or fun facts about each item on the second page.
5. Write **your name** on the line after “Created by” on the second page.
6. **Share** your scavenger hunt or **complete** it yourself!
